

**Different ways to pay - and save**

**MetroCard**

A weekly, monthly or annual MetroCard can help regular travellers cut the cost of travel in West Yorkshire. Benefits include:

- unlimited travel on train services within the zones chosen;
- virtually unlimited travel on buses in West Yorkshire.

**Company MetroCard**

Companies committed to promoting greener travel can buy money-saving Annual MetroCards at discounted prices for their employees. They often also provide interest-free loans to help employees pay for them.

As well as cutting employees commuting costs and being available for business journeys, Company MetroCards guarantee against fare rises during the 12 months they are valid.

**Bus and Train Operator Saver tickets**

Bus and Train companies offer a range of money-saving tickets which can only be used on their own services.

**Pay as you go fares**

Pay the driver when you get on the bus or buy a ticket at staffed rail stations or onboard the train at unmanned stations.

**Email updates from Metro Messenger**

When you register for Metro's free Metro Messenger service, you can receive email updates on Travel News, Service Changes, Special Offers and What's On.

**Calculating the savings**

As well as the savings you can make on fuel, parking costs, time and the stress caused by queuing on busy roads, travelling by bus and train means you are reducing the environmental impact of your journey at the same time.

You can work out the CO<sub>2</sub> savings you can make with our Carbon Calculator at [www.wytravelplan.com](http://www.wytravelplan.com)

**The West Yorkshire Travel Plan Network**

The Network is moving employees in West Yorkshire towards a greener way to work by promoting sustainable travel options, supported by a partnership of Metro, West Yorkshire Local Authorities and the Highways Agency.
